

# AUSTIN NINJAS

The health and well-being of our students is our top priority at Austin Ninjas. Based on the most recent Health and Safety guidelines regarding COVID-19, Austin Ninjas will temporarily close our gyms starting Tuesday, March 17<sup>th</sup>. At this time our closure will include canceling all open gyms, classes, birthday parties, camps, and team practice. Our current date for reopening our facilities is March 30<sup>th</sup>. Our classes will not resume until April 6, following our school districts recommended return date.

We understand that this is an unsettling time and hope to lessen the hurdles. Your class fees will be automatically suspended until we reopen; you do not need to contact us to make this change. We are not processing credits at this time either, BUT we will address that once we fully understand where we are going to end up for the remainder of the school year session.

This is an extremely difficult time and we are doing our best in this complex and ever-changing environment. Please be advised that we might not have all the answers at this time. We can ensure you that we will continue to make conscious decisions with our students in mind.

We are thankful to be part of such a loyal community committed to the health and wellness of their children. We know that Austin Ninjas is more than a gym for these kids; it is a place where everyone faces challenges and has an opportunity to try again when they fail. Ninja is a fantastic sport and we look forward to seeing all of our students when our classes resume.

We appreciate the support from our many students, parents, loyal customers, and the community and we look forward to seeing you when we reopen!
